

**Communiqué : NORCAN fait l'acquisition de LP INNOVATION AB,
son partenaire de longue date pour la Suède**
**Communication release : NORCAN sealed the acquisition of LP
INNOVATION AB, its long term partner for Sweden**

In French :

Nous avons le plaisir de vous annoncer que **NORCAN** vient de signer l'acquisition de 100% des actions de **LP INNOVATION** en Suède (UPPSALA). Cette acquisition va nous permettre de renforcer notre position dans ce pays Nordique qui bénéficie d'un large secteur industriel. Stéphane FAUTH déclare : « *C'est un nouveau chapitre qui s'ouvre pour LP INNOVATION et aussi pour NORCAN. Nous allons pouvoir renforcer notre collaboration et ainsi étendre nos capacités d'élaboration de solutions sur mesure à une clientèle plus large qui aura accès à nos applications et innovations pour leurs équipements industriels* ».

LP INNOVATION AB est une société spécialisée sur les équipements industriels sur-mesure à l'attention de la production industrielle, la logistique et l'e-commerce. Ses applications sont construites à partir du système de profilés NORCAN et elles sont basées sur une solide expérience accumulée depuis des années. LP INNOVATION est le partenaire officiel de NORCAN pour la Suède depuis 2007.

Stéphane FAUTH, Lars FAGRELL and Bruno MORET

In English :

*We have the pleasure to announce that **NORCAN** sealed a deal concerning the acquisition of 100% of shares of **LP INNOVATION AB** in Sweden (Uppsala). This acquisition will allow us to strengthen our position in this Nordic country which has a large industrial sector. Stéphane FAUTH declares : "this is a new chapter for LP INNOVATION and also for NORCAN : we will be able to reenforce our collaboration and thus be expanding the range of applications, services and the customer base in Sweden. This enlarged client base will have access to our unique tailor-made solutions and innovations for their industrial equipment".*

**Communiqué : NORCAN fait l'acquisition de LP INNOVATION AB,
son partenaire de longue date pour la Suède
Communication release : NORCAN sealed the acquisition of LP
INNOVATION AB, its long term partner for Sweden**

LP INNOVATON AB is a well-established company specialising in custom-made equipment for industrial manufacturing, logistics and e-commerce. Solutions are based on the aluminium profile system by NORCAN and a wealth of accumulated engineering experience. LP INNOVATION has been the official partner of NORCAN for Sweden since 2007.

About NORCAN :

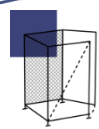

NORCAN is leader in France and one of the key players in Europe considering customized and modular solutions.

Focused on the efficiency of work environments, NORCAN has developed its own industrial mecano-system based on aluminium profiles, ABS coated pipes, conveyors' components and accessories. This mechanical system allows NORCAN to offer a limitless number of tailor-made solutions to all segments of production and industry, logistics and retail, and to e-commerce operators.

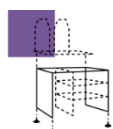

The Group produces several thousand applications a year generating 20 Mi€ of turnover with more than 140 employees. In addition to the Haguenau site (Head-office, Alsace, France), NORCAN operates 4 subsidiaries in Germany, Spain, Poland and Morocco, and works with a dozen partners abroad.
